Road Safety	Report to be given verbally at the meeting.
Upper Common – ditches in a poor state	Works carried out, but blockages remain. Cllr Preest intends to visit the site. Stuart Budd has indicated that he will take action soon. Oct 2021: Stuart Budd intends to get the ditch unblocked in conjunction with roadworks in the area if at all possible; Stuart Budd updated on 22/11: ‘Sorry for the delay in getting back to you. This job has been like pushing water up hill. It’s actually scheduled for 7th December. I had hoped to get it completed while the closure was in place so I’m more than a little disappointed. The contractor has assured me however that the works won’t require a closure and it should be a quick job.’
Lower Common/Sandford Road poor road surface	Currently, no solid plans to resurface.
